

Student Discount Program for Rentals

B3K knows that the cost of photography equipment can add up quickly and with a student budget, equipment can often be out of reach. Our staff will help you get the equipment you need, when you need it to complete your school project. We offer a rental discount along with a great selection of equipment. Our knowledge and experience is second to none, we love what we do and want to see you... the student succeed!

B3K Digital offers a **25%** discount on all rentals to students of an accredited post-secondary institution.

Student Rental Guidelines:

- All students wishing to take advantage of this discount must have a valid student I.D. and be enrolled in a photo related program (fine art, photography, film & video, graphic design, new media, journalism, communications, etc.).
- A valid certificate of insurance is required, along with a deposit covering the deductible, OR a deposit for the full replacement value of the equipment rented.
- Deposits must be made on a valid Credit Card – Visa, MasterCard or American Express are all accepted at B3K Digital. Debit and/or Cash are not accepted for Rental Deposits.
- Students must agree to B3K Digital's Rental Terms and Conditions.
- To receive the student discount you must present your valid student ID at the time of equipment pick-up.
- B3K Digital is not responsible for any damage or loss resulting from equipment use, misuse, or failure.
